WORK LIGHTS

# FEEL THE

Strands Lighting Division is Europe's fastest-growing brand in the industry and offers the latest innovative vehicle lighting. **We live by the three words – feel the passion.** Our vision is to make you feel our passion, and we want you to experience it – regardless of whether you are in contact with our first-class customer service, open a package or mount a new innovative product.

We will give you a driving experience out of the ordinary – no matter your needs. We want you to work safely with total capacity regardless of environment or time of the day. We always work with our origin

in the development process. With the harsh Scandinavian road conditions, extreme temperatures, salted roads, sudden temperature changes, and other challenges in mind.

We want to provide you with lighting that doesn't compromise in any area. With function, performance, and design in everything we do. Many years of experience and close cooperation with professionals make this possible. We want and dare to go first with a constant passion for changing the market, and we have already begun.

# PASSION

# WE OFFER PEACE OF MIND

---

Except for design, quality, and performance, we give you safety. We offer a unique function warranty – from three to six years. This includes all products from Strands Lighting Division's range, which makes the warranty unique on the market. The warranty covers faults related to the manufacturing process, material, or assembly. With our function warranty, we want to improve the service, increase customer satisfaction, and emphasize our brand's quality. Ready to further strengthen our position on the market.

**FUNCTION WARRANTY**  
*THREE TO SIX YEARS*

PAGE 8-29

# DRIVING LIGHTS

---

If you once experienced powerful driving lights with optimal visibility, you will never go back to basic. Strands Lighting Division develops and manufactures driving lights that help you relax and enjoy driving during the darkest hours. Design, performance, and quality surpass even the highest expectations. No matter which one of the driving lights you choose, you are guaranteed at least a three-years function warranty.

### UNIQUE POSITION LIGHT

Enjoy the smooth startup effect when the light slowly increases its intensity before reaching full capacity. Comes with a dual function. Choose between amber and white.

### BALANCED LIGHT BEAM

A light beam with an intensity far higher than standard. Supported by TIR optics, especially designed to cover a wide area without wasting any long-distance illumination.

### DARK KNIGHT LOOK

A futuristic, minimalistic all-black look helps your vehicle reach perfection from all angles. Play it confident and stylish both day and night.

# LED BARS

---

A row of light with lots of possibilities. LED bars are ideal for enhancing your safety and the appearance of your vehicle. Mount it on the roof, under or above the license plate, or behind the grill. The modern and discreet design is outstanding for the overall impression. Especially when the lights are on. Choose between curved or straight shapes. The linear alignment spreads the light over a wide area, providing effective visibility over significant distances.

# SIBERIA

# QUBE

**COMPACT SIZE**

Discreet and neat, perfect for use where larger lighting doesn't fit. A really powerful lamp that performs 2949 actual lumens and 1 lux at 166 meters. Mount it alone, in pairs or combine several.

**OPTIMIZED LIGHT**

The light beam combines width and length – an optimized solution to fit the compact construction. Unbeatable for quickly discovering animals coming from the roadside.

**WHITE AND AMBER**

Express your style. The dual position light allows you to choose between white and amber position color.

Part No. 809186

### WORK LIGHT AND WARNING LIGHT

This is the next generation of multifunctional side shooters. The ultra-wide, long-distance beam and the extremely effective warning light – packed into one compact lamp. The all-in-one solution simplifies installation, eliminates to mount several different lamps while get it look smoother from all angles.

### COMBO BEAM

Red Fox make sure no unexpected dangers will sneak up on you. The ultra-wide, long-distance beam produces a light pattern of 160° beam angle.

### DUAL POSITION LIGHT

Personalize your look with the position light color you prefer. Either you go for the most beautiful of sunsets with the amber color – or be the fire and dare to choose the red one.

### MOUNTING ON BARS

Mount the 6 LED version on side bars, side steps, light bars, or roof bars with rubber gasket part no. 850206.

### EXTREMELY SLIM

Invisible edges for a perfect look.  
Design and function in one product.

Part No. 850201HP-A (3 LED), 850202HP-A (4 LED), 850203HP-A (6 LED)

### CRUISE LIGHT STROBE LIGHT LED

Voltage: 9-30V DC, Consumption: 3W (3 LED), 5W (4 LED) 7W (6 LED), Patterns: 26, IP-Class: IP67, Color lens: Clear, Color LED: Amber, Connection: Cable, Cable length: 400 mm, Length: 82 mm (3 LED) 98 mm (4 LED), 131 mm (6 LED), Depth: 6,6 mm, Height: 31 mm, CC: 67,9 mm (3 LED), 83,9 mm (4 LED), 118 mm (6 LED), E-approved: ECE R65, EMC-certificate: ECE R10

# CRUISE LIGHT STROBE LIGHT *LED*

## THREE SIZES

Available in three sizes, 3, 4 or 6 LED.  
Combine them and make your vehicle  
visible from all angles.

## E-APPROVED

Fully E-approved according to  
ECE R65 to make you safe on the road.

Use the QR code to  
check out the products.

# MONITUM

## E-APPROVED

The entire series is fully E-approved according to ECE R65 class 2, which means the warning light bar can be switched from day to night mode.

## EXTREMELY SLIM

Unlike traditional alternatives on the market, Monitum comes with a height of only 33,5 mm, which will give you less wind noise and reduce fuel consumption.

## POSITION LIGHT

Comes with eleven different warning light patterns. The Cruise Light feature – the position light – provides an appealing styling effect and increases your visibility on the roads.

Part No. 850140

WORK LIGHTS

### COMPACT DESIGN

The compact design offers a variety of mounting possibilities in small spaces and positions around the vehicle and hidden for a cleaner overall impression.

### THE RIGHT VIEW

Unlike traditional lamps, Siberia RV gives you more than just a wide light spread. The reflectors provide the perfect combination of length and width, the right kind of view, which increases the opportunities and numbers of suitable applications and situations. At the handlebars of a quad, on the stairs of a truck or as a reverse light – you decide.

WORK LIGHTS

Use the QR code to check out the product.

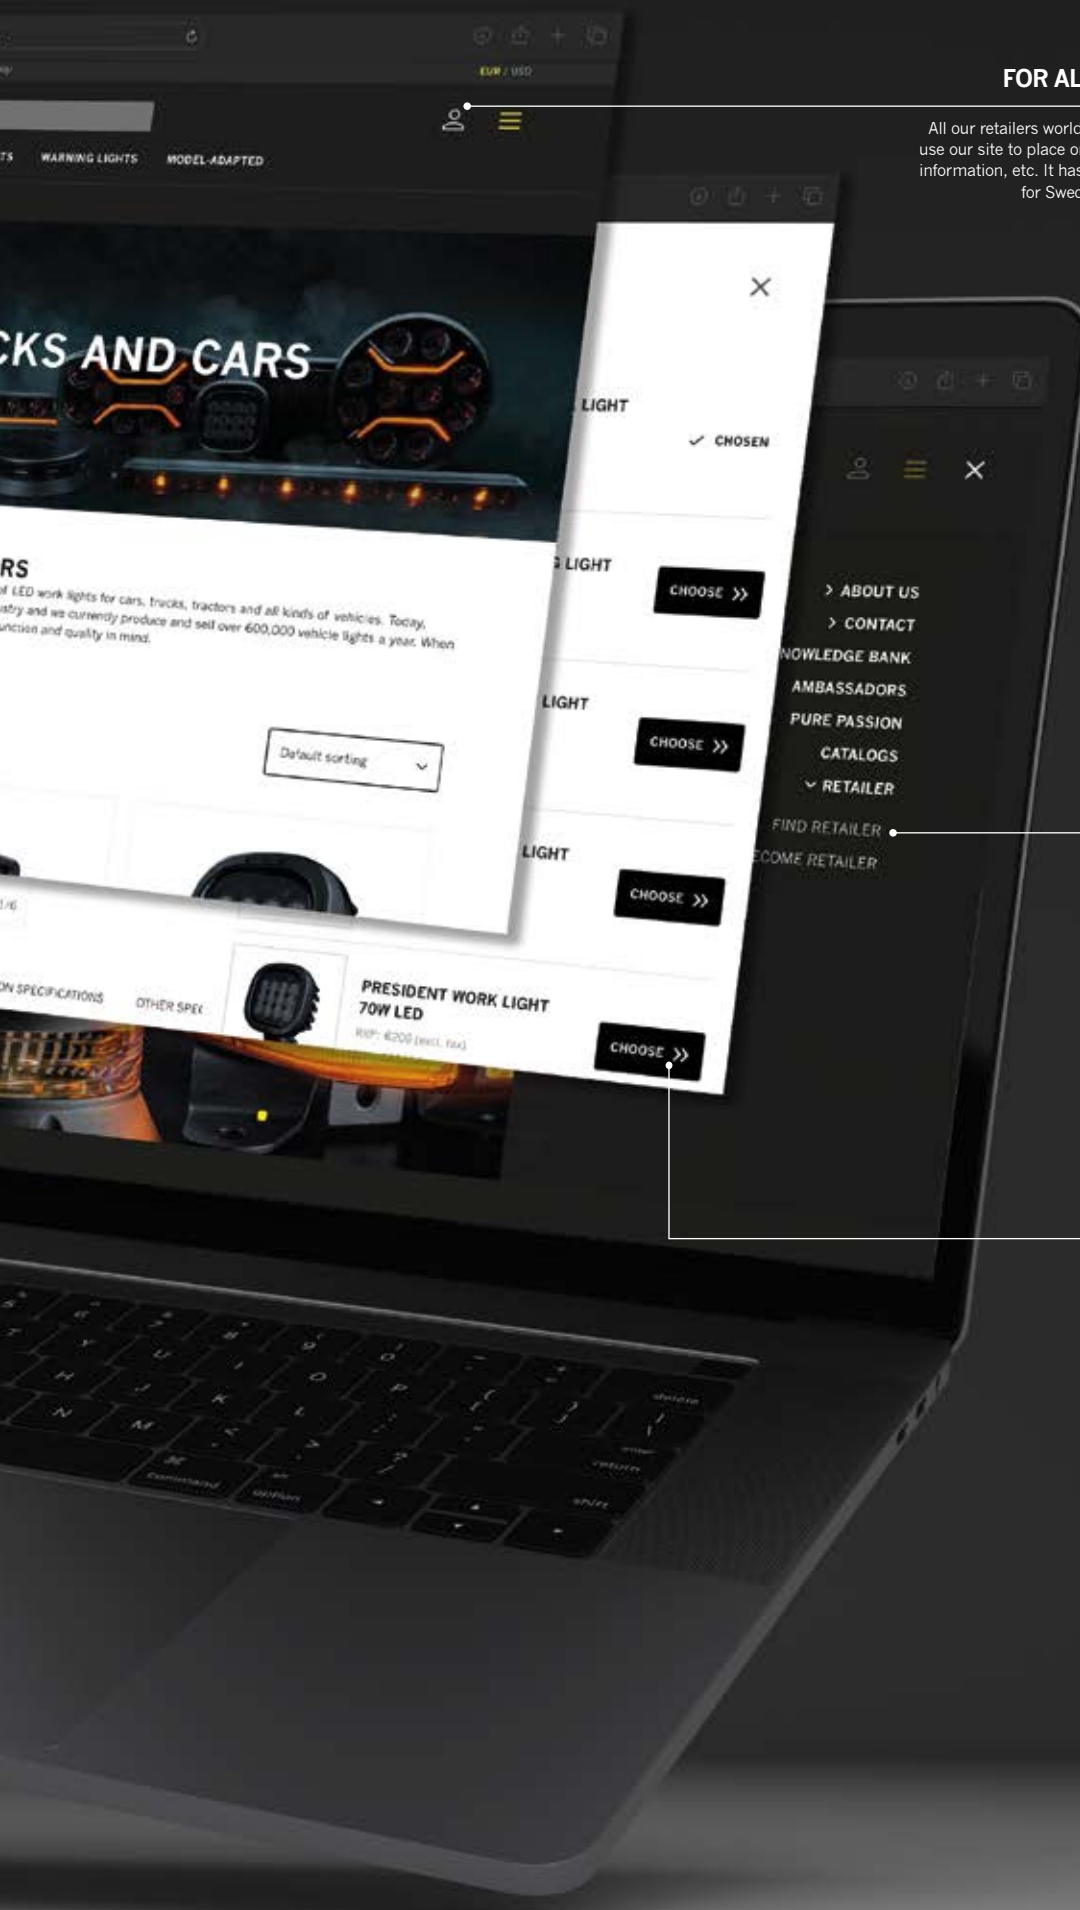

### INNOVATIVE FILTERING FUNCTION

A new, innovative filtering function on the category page allows users to choose if they only want to see E-approved functions, LED colors, or ADR products, for example.

Use the QR code to check our website.

### FOR ALL RETAILERS

All our retailers worldwide can log in and use our site to place orders, check stocks, information, etc. It has only been possible for Swedish retailers before.

### STOCK STATUS OPPORTUNITIES

Stock status will be available for registered retailers.

### EASY TO FIND SEVERAL VARIANTS

The button "Available in several variants" on the product page makes it easy to find the selected product's different lengths, sizes, and LED colors.
